

Ernestown Secondary School

Principal's Message

March, 2023

Dear Ernestown Secondary School families,

As we embark on the second month of semester 2, I would like to take this opportunity to thank you for your continued support of your child's academic and co-curricular endeavours. Your commitment to investing in your child's education is greatly appreciated and makes a significant difference in their success.

I would also like to remind families to prioritize safety and enjoyment during the upcoming March Break. Whether you are travelling or staying close to home, please take the necessary precautions to stay safe and make meaningful memories with your loved ones. Additionally, I would like to invite all parents and guardians to our Parent/Guardian-Teacher Night, taking place on March 23rd from 6:30 - 8:00 pm. This is a great opportunity to meet with your child's teachers, discuss their progress and learn more about the curriculum. You will be able to sign up for meeting times through School Day beginning March 20th.

With a school dance, a trip to the Roller Rink, and coffee houses on the horizon, we are excited about the months ahead! Thank you for sharing your students with us. We are proud of all that they are accomplishing. Together, we can continue to make Ernestown Secondary School a safe, supportive and successful learning environment.

Sincerely,

Shannon Tyner
